Release of Transcripts and Diplomas: All accounts owed to Grace Baptist Academy must be paid before transcripts or diplomas will be released.

Testing Fees: Sophomores and juniors take the PSAT/NMSQT test each fall. Parents are responsible for the fees charged by these testing organizations (usually about \$15.00). Juniors should take the ACT and seniors the SAT for college admissions processing. Fees for these tests (approx. \$40.00) are paid directly to the testing organization when the student registers for the test.

Graduation Fees: A \$50 senior-high graduation fee and a \$25 kindergarten graduation fee is charged. This fee must be paid before graduation.

Parent Agreement: I agree to the above stated policies. I understand that tuition is due by the fifteenth (15th) day of each month from August through May, and that tuition is past-due if not paid by the twenty-fifth (25th) day of each month. I understand that a late fee of \$20 will be assessed if my payment is more than 10 days late. If my account is more than 45 days past due, my student may be withdrawn. I understand that if my student is withdrawn or expelled during the year that all fees are due and are non-refundable.

Tuition will be charged to include the entire month of withdrawal regardless of the number of days attended that month.
